**IN-WARRANTY SERVICE INCIDENT**

1. Call Temptek Service at 317-887-6352 for diagnostic assistance.
2. If a control instrument is determined to be at fault, a new or reconditioned instrument will be sent as a replacement.
3. Return the faulty instrument freight pre-paid for a full credit. **If the faulty instrument is not returned you will need to pay for it.**
4. Please provide a symptom for the faulty instrument.
5. Use the supplied shipping label to return the instrument.

**OUT-OF-WARRANTY SERVICE INCIDENT**

1. Call Temptek Service at 317-887-6252 for diagnostic assistance.
2. If a control instrument is determined to be at fault, you have 3 options:
  - a. Purchase a new instrument as a replacement.
  - b. Send your instrument back for repair, freight prepaid. For a nominal fee (currently \$335) your instrument will be repaired and returned. Note that some damage cannot be repaired such as water damage and other physical damage. If your instrument is determined to be unreparable once received by the factory you will be notified and presented with your other options.
  - c. Purchase a new instrument and repair the old one as a back up.
3. When sending your instrument back for repair, **include this form in the box.** Do not disassemble the instrument.

**OTHER INFORMATION**
